

# Add PPP LearnOnline site to your myUniSA Student Home Page

The PPP LearnOnline site has lots of information that will help you to complete your Professional Practice Program. It also contains the forms and tools that you will need.

These instructions show you how to add a link to the PPP LearnOnline site on your myUniSA Student Home Page.

1. Log into [my.unisa.edu.au/Student/Portal/Home.aspx](https://my.unisa.edu.au/Student/Portal/Home.aspx)
2. Click Add/edit in the my Links pane on the left side of the page.

The screenshot shows the myUniSA Student Home Page interface. At the top, there is a navigation bar with links like Home, my Current Studies, my Email, my Resources, my Academic Record, my Finances, my Personal Details, my Services, and a Search bar. Below the navigation bar, there is a status bar showing the date and time (Today in Adelaide (GMT +10:30): Fri, 17 November 2023, 2:06:28 PM) and a green checkmark indicating 'All systems operational'.

The main content area is divided into several sections. On the left, there is a 'my Links' pane, which is highlighted with a red box. Inside this pane, there is a red circle with the number '2' next to the 'Add/edit' button. Below the 'my Links' pane, there is a 'Portal Links' section with a list of links: Log an IT Help Desk Call, UniSA Referencing Guide, Research@UniSA, myEnrolment, myScholarships, Alumni, myUniSA Quick Guide, Student Services, and myUniSA Quick Guide-offshore. At the bottom of the 'Portal Links' section, there is an 'Add/edit' button.

The main content area also includes sections for 'Important information about your studies from mainland China', 'my Courses', 'Latest Assessment Items', and 'Announcements'. The 'my Courses' section shows a message: 'You have no information recorded for this component' and a 'View my Timetable' button. The 'Latest Assessment Items' section also shows a message: 'You have no information recorded for this component'. The 'Announcements' section has a 'Priority' button and a message: 'There are no new announcements at this time'. Below the announcements, there is a table with columns 'TITLE' and 'POSTED', and a 'Search Announcements' button.

On the right side of the page, there is a vertical sidebar with various service links: learnonline Help, AskIT, Campus Central, Student Support, Pay UniSA, Library, Career Services, Student Association, Student Experience, and Feedback & Complaints.

3. Paste the relevant URL in the Manage my links pop-up:
  - Construction Management (IHCN, XHCM):  
<https://lo.unisa.edu.au/course/view.php?id=21663>
  - Undergraduate Engineering (LHEG, LHES, LHIF, LHMI, LHMR):
