IMPORTANT NOTICE:

This study plan has been designed to align with current UniSA program requirements until the end of 2025 and is subject to change.

Due to the transition to Adelaide University in 2026, all current students will receive a transition study plan in the second half of 2025 for your Adelaide University program. The transition study plan will replace any previously issued plans and will ensure that the expected remaining duration of your program is maintained (subject to successful completion of courses studied), and for the purposes of Confirmation of Enrolments (CoE) and student visas for International students.

Support for students during this transition will be provided, with details to be shared when the transition study plan is issued.
