## ANNUAL COURSE REVIEW TEMPLATE

This template is designed as an aid for teaching staff to reflect on and record their teaching experiences and student feedback.

### HOW TO USE IT

This form is intended to be used to capture data and insights related to the course being reviewed. The satisfaction Analysis and Action table are informed by Business Intelligence (BI) and MyCourseExperience (MCE) data.

### WHEN SHOULD THIS COURSE DELIVERY RECORD BE USED?

It is intended that this form will be used at least once every three years, or as directed by the Program Director or Dean of Programs. The primary purpose of this form is to support ongoing reflection of teaching and learning, structure quality improvement of courses and to inform internal and external accreditation reviews.

### DATA THAT REQUIRES MANUAL ENTRY

Peer review of teaching, student surveys/focus groups, feedback from staff in linked courses, personal teaching experience, informal feedback.

#### **Accessing 'Course Activity – Individual' data:**

- Direct link via [Course Activity - Individual](#) (if you experience problems with your usual web browser, try Firefox)
- Manually:
  - Access UniSA's [BI Hub](#) (also available manually via Staff Portal → Management → BI Reporting → BI Hub)
  - In the ribbon at the top, select 'User Groups' and choose '**Course Coordinators**'
  - In the 'Programs and Courses' section select '**Course Activity – Individual**'

#### **Within 'Course Activity – Individual', select the following:**

1. **Academic Unit** = ALH – UniSA Allied Health & Human Performance)
  2. **Course Level** = UGRD, PGRAD or SHRT for Short Courses
  3. **Course:** select your course
  4. **Study period:** hold down Ctrl button and select current year being assessed and two (2) years prior to generate a 3-year report.
  5. **Click Finish.**
- This 3-year report can be generated as a PDF.
  - **Attach the PDF Course Activity Report to this review.**

### COURSE MODERATION

Refer to Academic Unit [AHHP Moderation of Assessment Guidelines](#) to inform review of assessment processes.
