

Graduate Diploma in Medical Sonography (General) -- Study Plan

****Semester 1 start****

Student	Name:	Student ID:	Commencement: SP2 2023
UniSA Program	UniSA Allied Health & Human Performance		Total Units: 36.0 core units
	Program Code: GEN-IGSO	Total Program Years: 4 years part time	Total Courses: 8 core courses

Suggested study plan for one course (4.5units) per study period
#recommended

Subject Area + Cat No	Course	Prerequisites/co-requisites	Comments (mark 'enrolled' 'in progress' or 'completed' or indicate intended study period)
2023			
Study Period 2			
RADY 5024	Professional Issues for Sonographers	Nil prerequisites	Offered in SP2 & SP5
Study Period 5			
RADY 5030	Ultrasound Physics and Instrumentation	Nil prerequisites	Offered in SP2 & SP5
2024			
Study Period 2			
RADY 5013	Abdominal Sonography	Prerequ/s: RADY5024 + RADY5030	Offered in SP2
Study Period 5			
RADY 5015	Superficial Parts Sonography	Prerequ/s: RADY5024 + RADY5030	Offered in SP5
2025			
Study Period 2			
RADY 5016	Vascular Sonography	Prerequ/s: All four level one courses Co-requ/s: minimum of 200 hours ultrasound examinations	Offered in SP2
Study Period 5			
RADY 5029	Musculoskeletal Sonography	Prerequ/s: All four level one courses Co-requ/s: minimum of 200 hours ultrasound examinations	Offered in SP5
2026			
Study Period 2			
RADY 5014	Obstetric and Gynaecologic Sonography	Prerequ/s: All four level one courses Co-requ/s: minimum of 200 hours ultrasound examinations	Offered in SP2
Study Period 5			

RADY 5026	Clinical Sonography Portfolio	Prerequ/s: All four level one courses plus three other level two courses plus 2000 supervised scanning hours and five formative tutor assessments Co-requ/s: minimum of 200 hours ultrasound examinations	Offered SP2 & SP5
On completion of the above 8 courses in the IGSO program, students can then apply for accreditation with the Australian Sonographer Accreditation Registry (ASAR) for accredited medical sonographer (AMS) status in the category of General Sonography.			

* Note: Courses may or may not be scheduled in each semester. Please refer to the online course timetable for further details.

Rules & notes can be viewed on the program homepage <https://study.unisa.edu.au/degrees/graduate-diploma-in-medical-sonography-general>
