Assignment: Reflective posts

Purpose

This assignment aims to provide you with practice in:

- Writing reflectively – often a requirement in UniSA courses
- Using the Online Forum
- Thinking about your learning and writing down those thoughts
- Reflecting on your strengths and identifying anything you might need to work on in future

Task description

Write 2 reflective contributions to the online forum (topics and dates to be advised).

To complete this assignment, you need to:

- Post two messages to the online forum in your course site
- Read other students’ posts and join in the conversations

Due dates
