IAP
More on finding articles for your oral presentation

Learning Advisers
UniSA
Today’s session

• Refreshing your understanding of last week’s workshops:
  • Use the Library to get a headstart
  • Searching beyond Google
• Supporting you in your search for your 2 articles
Revision activity
Useful library links

How to Library Guides for

• connecting and combining search terms
• saving time searching databases with truncation, wildcards and phrases
• finding a full text article using find it
• finding peer reviewed journal articles
• finding your references in the library
Working on finding your 2 articles
Good luck!
