

CONSTRUCTION MANAGEMENT
REQUEST FOR EXEMPTION FROM PPP

This form is for students seeking an exemption from the STEM Professional Practice Program due to prior, recent and relevant work experience.

Please complete the form, attach the required evidence and return it to the UniSA STEM Industry Experience team on via email STEM.Placements@unisa.edu.au for assessment. If you have any questions please contact the team on +61 (08) 8302 5900

STUDENT DETAILS

Student ID number: _____ Title: _____ e.g. Mr / Mrs / Miss / Ms / Dr

Given name/s: _____ Family name: _____

Full name of program: _____ e.g. Bachelor of Construction Management (Honours)

University email address: _____ Contact phone number: _____

DETAILS OF EXEMPTION – *Student to complete*

I seek an exemption from engaging in professional practice hours within the **STEM Professional Practice Program (Construction Management)** as I have relevant work experience in a professional construction management environment, or similar, undertaken within the last five (5) years.

To verify this claim:

- I have attached a statement outlining my relevant professional experience
- I have attached the following documentation as evidence to my claim *(please tick all that apply)*:
 - Current CV or Resume, containing details of relevant Construction Management experience
 - Referee Report on company letterhead
 - Diplomas, certificates or evidence of relevant training
 - Other *(please specify)*

Acknowledgement:

- I understand that I will still be required to enrol in Industry Experience course (*BUIL 4037*) and complete the assessment in order to gain a Non-Graded Pass for the course to be eligible to graduate.

Student signature: _____

UNIVERSITY STAFF USE ONLY – *University staff to complete*

Recommendation from Course Coordinator:

The student's submission for recognition of prior experience has been assessed.

It has been determined that this experience:

- is NOT relevant and **would not** exempt the student from the requirements of the STEM Professional Practice Program
- IS relevant and **would** exempt the student from:
 - The STEM Professional Practice Program *(i.e. 450 hours)*
 - _____ hours in the STEM Professional Practice Program

Course coordinator name _____ Signature _____ Date _____
