Badge Constructions (SA) Pty Ltd Scholarship

Open for Applications now!

Closing date: 8th April 2016

*Please note only 2nd Year students are eligible for this scholarship*

Badge Constructions (SA) is proud to be able to continue their association with Uni SA and provide the 2016 Scholarship for Bachelor of Construction Management and Economic (IHCN) students. To be eligible for this scholarship you must be enrolled in full-time study in the second year of the IHCN degree program and you must be Australian citizens or permanent residents.

The Scholarship is for three years and valued at $10,000, payable in three instalments. $2,000 in second year, $3,000 in third year and $5,000 in the fourth year.

**How to apply for the scholarship?**

**Applying for this scholarship is a 2 step process**

1. Students can access the scholarship information, including submitting applications, through the Scholarships Management System also known as my Scholarships. My Scholarships can be accessed by:
   - using the URL: [https://my.unisa.edu.au/Student/SCMS/Home.aspx](https://my.unisa.edu.au/Student/SCMS/Home.aspx), or
   - by logging into my UniSA Student Portal and navigating to 'my Studies', then selecting the link to my Scholarships that displays on the right hand side of the page.

2. Once you have applied for the scholarship online (via myScholarships – Step 1) ALL applicants must then submit a **personal written statement** (min 500 words) detailing their career objectives and how the scholarship will assist them and their **unofficial academic transcript** via email to Rhiannon.Dienelt@unisa.edu.au before 8th April. You can find your unofficial transcript at my **Academic record** via this link; [http://w3.unisa.edu.au/student/transcripts/default.asp#unofficialrecord](http://w3.unisa.edu.au/student/transcripts/default.asp#unofficialrecord).

The recipient will be selected on the basis of academic merit (GPA), a personal written statement, character references and performance at an interview. The recipient may be offered the opportunity to undertake placements during their program and paid casual work experience during the university holidays.

*The scholarship may not be held in conjunction with any another scholarship in the School of Natural and Built Environments during the scholarship term. Continuance of the scholarship is subject to satisfactory academic performance.*
