

Peer partnership template

Stage 1: Find a focus

The purpose of this template is help guide the first stage in the peer partnership cycle. It is an opportunity to clarify your own focus and it will provide important information for your partner. You should give a copy of this completed template to your partner in preparation for the observation.

Name of teacher	
Name of partner	
Course name and code	
Year level	
Day, time and location of class	
Context of the class to be observed	

Focus of the observation

What aspect of your teaching would you like your partner to give you feedback on? We recommend that you choose no more than three foci.

Focus 1	
Focus 2	
Focus 3
